

## **CERTIFICATE OF WARRANTY FOR MINI-SKID STEERS**

KRT Equipment ("KRT") warrants new mini skid steers ("the Product") free from defects in material and workmanship under normal use and service for a period of twelve (12) months after date of delivery to the first user ("the Buyer"), or 1,000 hours, whichever period expires first.

**This warranty is subject to the following conditions:**

KRT's obligation and liability under this warranty is expressly limited to repairing or replacing, upon KRT's inspection, any parts which appear to have been defective in material or workmanship. Such parts shall be provided at no cost to the Buyer.

## **Warranty Conditions:**

1. The warranty is valid only for the original Buyer and is not transferable.
2. The Product must be operated and maintained in accordance with the manufacturer's guidelines and specifications.
3. Regular maintenance, as outlined in the Product's manual, must be performed.
4. The warranty does not cover damage resulting from misuse, abuse, negligence, accidents, or unauthorized modifications.
5. Any repairs or modifications made by unauthorized parties will void the warranty.
6. Normal wear and tear, including but not limited to tires, filters, belts, and hoses, are not covered by the warranty.
7. The Buyer is responsible for all transportation costs associated with warranty claims, unless otherwise agreed upon with the Company.
8. The Company reserves the right to inspect the Product to determine the validity of any warranty claim.

Any improper use including, but not limited to, defective or worn parts, operation beyond rated capacity, substitution of parts by third-parties not approved by KRT, or any alteration or repair by others in such manner as KRT believes, in their judgment, it affects the Product(s) materially and adversely, shall void this Warranty.
